Ningbo Lvkang Vehicle Co.,Ltd.

## Company Profile

Ningbo Lvkang Vehicle Co.,Ltd is a manufacturer specializing in designing and manufacturing electric bikes, since 2005. We have been serving customers all over the world.

With a plant area of 12,000 square meters, over 100 well-trained employees and the output capacity of 50000 sets per month, Lvkang can offer diversified services to meet customers' requirements.

We are certificated to ISO9001; BSCI. Our products could also be certified to CE, EN15194, ROHS, UL2849 or other standards/certificates.

Customer satisfaction is our goal, we want to be your reliable partner.

Please contact us if you want to find a better supplier with your current products.

Please contact us if you have your own design and need to make moulds and samples.

Please contact us if you have your own idea of design and need to find a factory to finalize the design, make moulds and samples.
